

DECKING FINISH ALUMINIUM CORNER TRIM

Cladco Aluminium Corner Trims enable you to finish and seal your new Cladco Composite Decking area with a solid metal edge. These metal Trims are manufactured from aluminium making for a strong, robust edging strip around your Cladco Decking® project.

Each Aluminium Corner Trim weighs approximately 1.75kg and measures 2.2-metres in length.

For further help on how to put your project together, please see our installation guides for assistance and don't hesitate to contact us.
