

DECKING FINISH COMPOSITE CORNER TRIMS

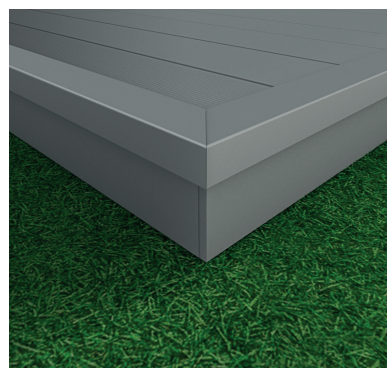

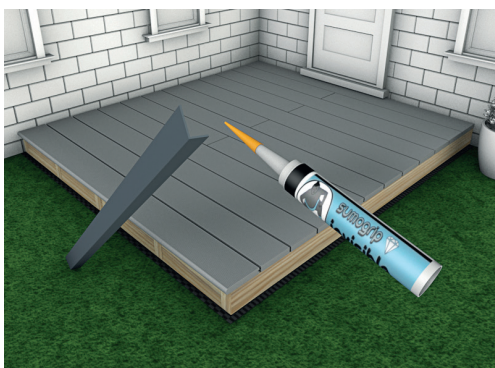

Looking to add the finishing touches to your Cladco Composite Decking or Wall Cladding project? Composite Corner Trims can complete your project and give you the seal it needs.

Manufactured in the same process as Cladco Composite Decking and Composite Cladding Boards, Composite Corner Trims provide the same quality and the ease of maintenance you have come to expect from Cladco Composite products.

Cladco Composite Corner Trims require no staining or painting and are available in matching colours to the rest of your project. Colours include Redwood, Olive Green, Ivory, Teak, Coffee, Charcoal, Light Grey and Stone Grey. Each Composite Corner Trim can be cut and sanded to suit your project's needs.
