

DECKING FINISH COMPOSITE SKIRTING TRIM

Cladco Composite Skirting Trims are used to finish the gaps in your Cladco Composite Decking or Wall Cladding project, available in matching Composite colours.

Manufactured from 60% recycled hardwood fibres and 40% recycled plastics, Composite Skirting Trims are rot and insect resistant, as well as being friendly to the environment.

Cladco Composite Skirting Trims feature a narrow-grooved surface on one side and a smooth surface on the reverse. Composite Skirting Trims can be cut to length using ordinary woodworking tools.
