

COMPOSITE DECKING STARTER CLIPS

Cladco Stainless Steel Starter Clips will give an accurate and precise fitting for your Composite Decking Boards when installing against a wall or fence.

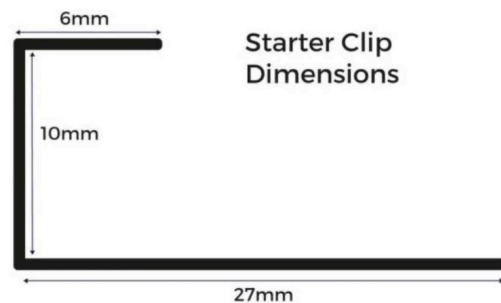

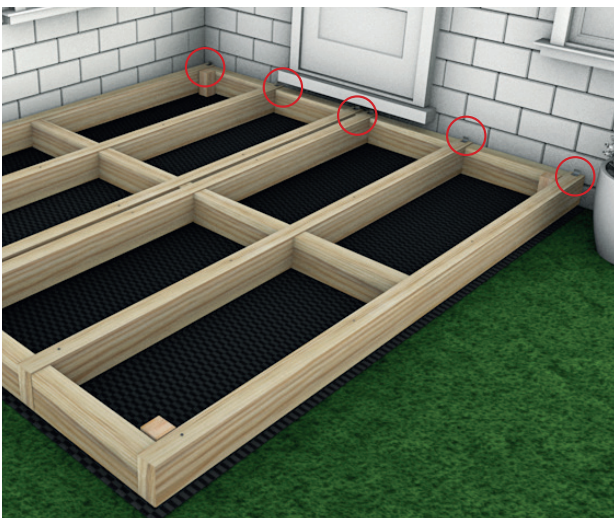

Stainless Steel Starter Clips make sure that your Composite Decking area is correctly fitted from the first Board to the last, avoiding unnecessary changes during the installation of your Cladco Decking area.

Made from precision cut stainless steel, Composite Decking Starter Clips are made to last, being tough in design having increased corrosion and wear resistant properties, Cladco Composite Decking Starter Clips will last the lifetime of your Cladco Decking® project to give added peace of mind.

Install Cladco Starter Clips using 25mm stainless steel screws (not included).
