

ULTIMATE DECKING CLEANER

DECKING ACCESSORIES

Keep your composite decking fresh and clean using the Cladco decking cleaner. The high-performance, foam formula targets dirt and organic build-up on composite surfaces and timber. Available in five-litre containers, the cleaner can also be applied to our range of Signature, ProDeck and timber boards.

SUITABLE FOR

-  **TIMBER DECKING**
-  **COMPOSITE DECKING**
-  **HARD-WEARING OUTDOOR SURFACES**

CLEANER SPECIFICATIONS

Size	5L
Coverage	Up to 30m ² per 5 litre

**EASY
APPLICATION**

**READY TO USE
FAST-ACTING
FOAM FORMULA**

HOW TO USE

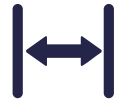

For optimal foaming results when applying to your decking, use a low-pressure sprayer. Allow the cleaner to sit for at least 60 minutes, then rinse with tap water and gently scrub any stubborn stains. To prevent the solution from drying out, reapply the cleaner mix as needed during this time.

Easily Applied

Works On Both Timber
And Composite Surfaces

Covers Up To
30m² Per 5 Litre

Fast-Acting

Professional Foaming
Cleaner That Targets
Grime And Dirt Deposits

FORMULA

A new and fast-acting formula that targets tough stains.

SURFACES

PRECAUTIONS

It is important to thoroughly read the product instructions before using this decking cleaner. Make sure to prepare the area by clearing any loose debris from the surface of the deck.

Before full application, test the cleaner on a small, inconspicuous area of your decking. This will allow you to assess its effect and ensure it meets your requirements. Please note that Cladco ultimate decking cleaner removes woodgrain colour and can lighten the appearance of the board.

PLEASE NOTE: Cladco ultimate decking cleaner contains an active ingredient that may stain fabrics and sensitive materials. Take care to avoid contact with clothing, upholstery, and other delicate surfaces.

Be aware that the cleaning fluid may be harmful to vegetation or grass. To minimise impact, avoid rinsing the cleaner directly onto garden or lawned areas. If necessary, rinse thoroughly with clean water to dilute any residue.

KEEP OUT OF REACH OF CHILDREN.

Avoid contact with skin and eyes to prevent irritation or damage. Wash skin thoroughly after handling. Wear protective gloves, clothing, eye protection, and face protection to reduce the risk of exposure.

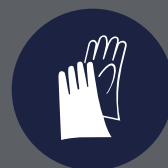

INGREDIENT

EUH031: Contact with acids liberates toxic gas.
H314: Causes severe skin burns and eye damage.
H400: Very toxic to aquatic life.

P102: Keep out of reach of children.
